

# Dissemination activities in Croatia (2013-2017)

Jelena Macan, Željka Babić, Marija Kujundžić Brkulj

Institute for Medical Research and Occupational Health  
Zagreb, Croatia

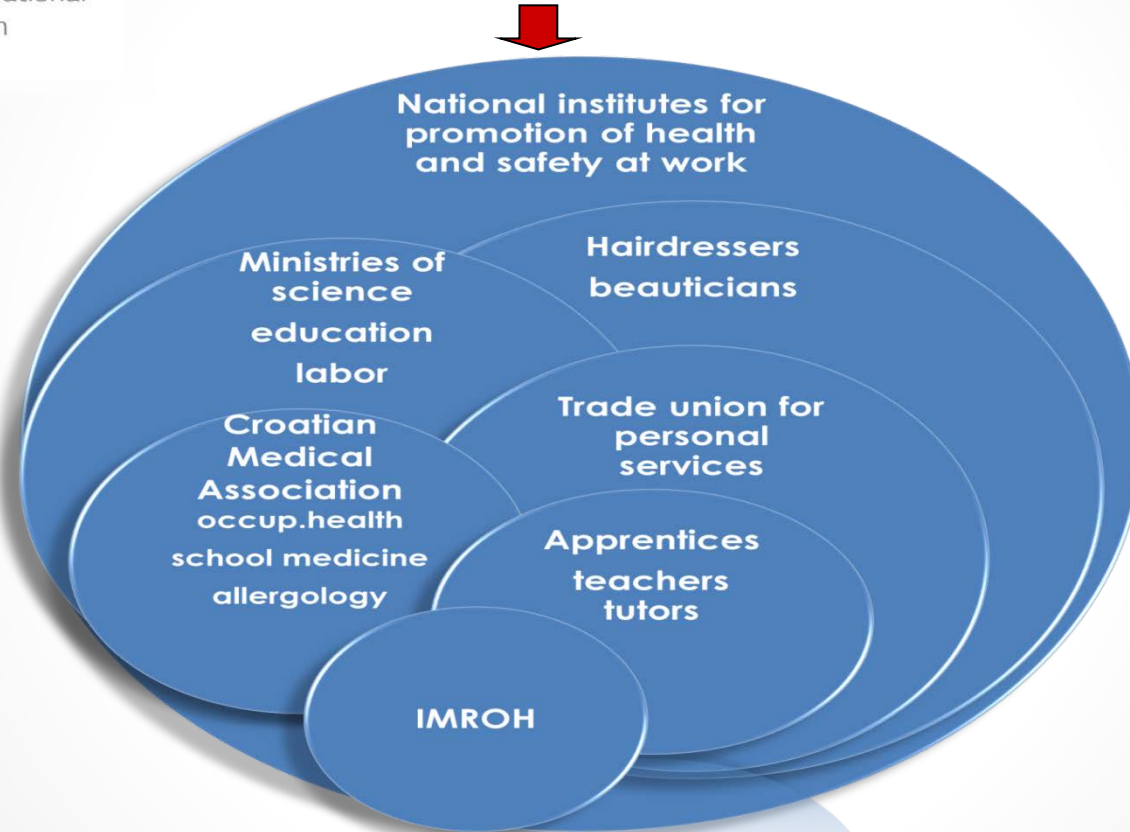

**2013-2017**

**Promotion of occupational skin diseases (OSD) prevention was focused on the personal service sector and apprentices (SafeHair project 2011-2012).**

**Dissemination activities were strongly supported with scientific projects performed in IMROH in 2015/2016 among Croatian hairdressing and beautician apprentices from 6 vocational schools in Croatia.**
